Advance Community Health Job Fair – Hiring Healthcare Professionals on the Spot

RALEIGH, NC - Advance Community Health's mission is to deliver quality, compassionate primary healthcare – every patient, every time – in response to the needs of our communities. In response to COVID-19, we want to assure our patients, our future patients, and our most vulnerable populations, that we are here for them in a number of ways to help them maintain and manage their health throughout this pandemic. That includes mobile coronavirus testing. In order to keep up with demand in Wake County we are hiring multiple staff positions, including registered nurses, medical assistants and customer service representatives.

We will hold a JOB FAIR on-site at our Raleigh location:

Saturday, July 18, 2020
9:00 a.m. – 4:00 p.m. (or until all positions are filled)
1001 Rock Quarry Road
Raleigh, NC 27610

Interviews will be conducted virtually on-site in order to maintain a safe distance. Applicants are encouraged to apply online at www.advancechc.org/careers to reduce wait times.

Advance Community Health is a non-profit community health center in Wake and Franklin counties with a mission to provide primary care services to all, including privately insured, uninsured, under-insured, and medically-underserved patients. For more than 45 years we have been an anchor of quality, compassionate care for more than 25,000 patients of all ages. The community-based, patient-driven center provides comprehensive primary healthcare, dental care, nutrition education, behavioral health, and operates the Horizon Healthcare for the Homeless program at Oak City Cares.
