Zebulon Community to Receive Free COVID-19 Testing

RALEIGH, NC - Advance Community Health is deploying one of its outreach teams to Zebulon for the next two Fridays in September. This mobile event will allow the community access to free COVID-19 testing in a drive-through or walk-up style.

No registration is necessary, but pre-registration may reduce wait times. Patients may call 919-833-3111. Please bring an insurance card if you have one, but no co-pay will be charged. If you do not have insurance, there is no cost for the test. Results are expected within one to two days.

Advance Community Health conducts COVID-19 testing nearly every day throughout Wake County. All testing events can be found on our [website](#) and [Facebook](#). We also conduct drive-thru testing at our primary care sites where patients may make an appointment by calling 919-833-3111. We report all testing information to NCDHH

Advance Community Health is a non-profit community health center in Wake and Franklin counties with a mission to provide primary care services to all, including privately insured, uninsured, under-insured, and medically-underserved patients. For more than 45 years we have been an anchor of quality, compassionate care for more than 25,000 patients of all ages. The community-based, patient-driven center provides comprehensive primary healthcare, dental care, nutrition education, behavioral health, and operates the Horizon Healthcare for the Homeless program at Oak City Cares.
