## Mobile Health Unit Visits Communities Ahead of COVID-19 Vaccine Events

**RALEIGH, NC – May 11, 2021** - Advance Community Health is participating in the [Bringing Summer Back](#) initiative in partnership with the NCDHHS in order to promote the safety and efficacy of the COVID-19 vaccine. As part of the campaign, our mobile unit will go directly into communities ahead of scheduled COVID-19 vaccine events. “As an organization with a mission to reach the most vulnerable populations, we want to be able to talk to people directly. If they have questions about taking that last step to get a vaccine, or if they simply need to know where to get one, we’ll be there ahead of time. We’re striving to build that trust and get our state to two-thirds vaccinated with at least one dose,” says Scot McCray, CEO of Advance Community Health.

We welcome appointments and walk-ups to all COVID-19 vaccine clinics: [www.advancechc.org/vaccine](http://www.advancechc.org/vaccine).
